To Whom It May Concern,

Eric Hughes has been an invaluable asset to our company in the procurement and disposition of various properties purchased and sold by McCorvey Sheet Metal. His knowledge of the market and of the services required for the development of property has helped us be successful in our real estate transactions. I could not recommend anyone more highly than Eric Hughes in the real estate market.

If you have any questions, please feel free to contact me directly.

Regards,

Tony McCorvey
